2. SUBJECT-MATTER OF THE AGREEMENT

- 2.1. The Lessor undertakes to grant the Lessee the right to possess and use the Vehicle temporarily in exchange for the Subscription Fee under the terms and conditions set out in the Agreement and in accordance with the procedure set out in the Agreement, and the Lessee undertakes to pay the Subscription Fee to the Lessor according to the terms and conditions of the Agreement.
- 2.2. The Parties hereby agree that every calendar year the Subscription Fee may be reviewed by the Lessor and adjusted as proposed by the Lessor. The Subscription Fee may be increased by the Lessor's decision in cases where, due to inflation, price increase, changes in state-set taxes or tariffs, or other external economic factors, it becomes economically unprofitable for the Lessor to rent the Vehicle. The Lessor will notify the Lessee about the adjusted Subscription Fee at least 30 (thirty) calendar days before each anniversary of the Agreement. If the Lessee does not agree with the proposed adjustment of the Subscription Fee, the Lessee shall notify the Lessor of its wish to terminate the Agreement within 14 (fourteen) days from the date of the Lessor's notice of the adjusted Subscription Fee. In such a case, the Agreement shall terminate on the respective anniversary of the Agreement. This shall not apply to contract concluded for the Minimum Subscription Period. Upon termination of the Agreement in accordance with the procedure established in this clause of the Agreement, the Agreement termination administration fee is not applied, and the Subscription Fee is not recalculated.

This version of Clause 2.2 shall apply to Agreements concluded as of August 13, 2026:

- 2.2. *The Parties hereby agree that every calendar year the Subscription Fee may be reviewed by the Lessor and adjusted as proposed by the Lessor. The Subscription Fee may be increased by the Lessor's decision in cases where, due to inflation, price increase, changes in state-set taxes or tariffs, or other external economic factors, it becomes economically unprofitable for the Lessor to rent the Vehicle. The Lessor will notify the Lessee about the adjusted Subscription Fee at least 30 (thirty) calendar days before each anniversary of the Agreement. If the Lessee does not agree with the proposed adjustment of the Subscription Fee, the Lessee shall notify the Lessor of its wish to terminate the Agreement within 14 (fourteen) days from the date of the Lessor's notice of the adjusted Subscription Fee. In such a case, the Agreement shall terminate on the respective anniversary of the Agreement. This shall not apply to contract concluded for the Minimum Subscription Period. Upon termination of the Agreement in accordance with the procedure established in this clause of the Agreement, the Agreement termination administration fee is not applied and the fee set forth in Clause 7.20 of the Agreement shall not apply.*
- 2.3. The Lessee is aware that all the Vehicles are equipped with a Vehicle Telemetry System to provide the Service remotely and to monitor compliance with the conditions of the Agreement. The data collected by the telemetry system are processed in accordance with the rules and requirements set out in Section 9 of this Agreement.
- 2.4. The Parties hereby agree that the selections made by the Lessee, including the conditions of the Agreement generated by the choices made by the Lessee on the Website, with which the Lessee is expressly acquainted with on the Website prior to the conclusion of the Agreement, shall become an inseparable part of this Agreement and shall be considered the Special Conditions of the Agreement. During the term of the Agreement, the Lessee shall have the right to change his/her preferences with the prior consent of the Lessor and upon payment to the Lessor of a change of Agreement administration fee the amount of which is indicated in the Annex No. 1. Amendments shall be formalised by the Parties signing a supplementary agreement to the Agreement.
- 2.5. The Parties hereby agree that the Vehicle shall be leased for the Subscription Period selected by the Lessee and specified in the Special Conditions of the Agreement. Subject to Clause 3.10 of the Agreement, the Lessee is hereby informed that the date of signing the Agreement and the date of collection or delivery of the Vehicle may not coincide.
- 2.6. The Parties hereby agree that the Subscription Period requested by the Lessee shall in no case exceed 60 (sixty) months.
- 2.7. The Parties hereby agree that the Lessee shall have the right to use the Vehicle for personal (consumer) purposes or for purposes related to his/her business, trade, craft or profession, but shall not have the right to use the Vehicle for the provision of transport and/or taxi and/or security and/or courier and/or subscription services.
- 2.8. By virtue of this Agreement the Lessor hereby informs the Lessee that the Vehicle leased to the Lessee under this Agreement may be financed by a third party who owns the Vehicle and, therefore, in the event of improper performance of the financing agreement, the financing party shall have the right, at any time during the Subscription Period, to require that the Lessee return the Vehicle within 5 (five) business days from the notification to the Lessee in writing. In such case, upon receipt of a request to return the Vehicle to the financing party before the end of the Subscription Period, the Lessee shall: (i) return the Vehicle to the financing party to the address notified within the prescribed timeframe; (ii) if the Lessee fails to return the Vehicle within the prescribed timeframe, they shall continue paying the Subscription Fee for the actual use of the Vehicle directly to the designated financing party until the Lessee returns the Vehicle as per above conditions; (iii) shall acquire the right to purchase the Vehicle immediately at the conditions set separately by the financing party, including a market value purchase price set separately by the financier and payable directly to the financier; (iv) after returning the Vehicle to the financing party, may take the opportunity of the Lessor's offer to use another suitable Vehicle or a substitute Vehicle for the remaining Subscription Period (if and to the extent applicable), for the Subscription Fee recalculated by the Parties.

- 2.9. The Lessee is aware that the insurance of the Vehicle shall be taken care of by the Lessor during the whole Subscription Period.
- 2.10. The Lessor may also (however, this is not the Lessor's obligation) enable the Lessee at any moment of the Subscription Period, if the Lessee has properly executed the Agreement up to that point, to purchase a Vehicle at a market price separately determined on the day of the Vehicle's purchase (if the Vehicle's price is specified in the Special Conditions, it is only preliminary). If the Lessee wishes to purchase the leased Vehicle, the Lessee must notify the Lessor of the desire to purchase the Vehicle by e-mail at info@mybee.lt no later than 30 (thirty) calendar days before the scheduled end of the Subscription Period. The purchase price of the Vehicle and other issues will be determined in the separately concluded contract of purchase and sale of the Vehicle.
- 2.11. In any case, Subscription Fees and other charges under the Agreement are not included in the price or value of the Vehicle, whereas provision of long-term Vehicle subscription hereunder shall not be qualified or regarded as any form of financial assistance provided by the Lessor to the Lessee to acquire the Vehicle in the ownership of the Lessee.
- 2.12. The Lessor may, at its discretion, establish and apply various subscription payment packages/plans. The types of subscription packages/plans, fee amounts, conditions, applicable pricing, offered benefits and advantages, and applicable additional rules (if applicable) are specified on the Website. The Lessor has the right to unilaterally change, establish, supplement and/or cancel subscription packages/plans, promotions, discounts by publishing this on the Website. These changes shall enter into force upon their publication on the Website and shall apply to newly concluded Agreements. The Lessee (Consumer) has the right to terminate the Agreement within 30 (thirty) calendar days from the receipt of notification of such changes applicable to him, if the changes relate to the amounts of fees or essential conditions.

3. PROCEDURE FOR CONCLUDING THE AGREEMENT AND COLLECTING THE VEHICLE

- 3.1. The Agreement may only be concluded if all the conditions set out in Clauses 3.2 – 3.9 of the Agreement are met.
- 3.2. In order to enter into the Agreement, the Lessee must register on the Website and create a personal Account, as set out in the Website's Terms of Service, which are published on the Website at <https://mybee.lt/naudojimosi-taisykles/>, and which the Lessee must get acquainted with carefully. If the Lessee is a legal entity, a designated employee of the Lessee shall register and open an account on the Website on behalf of the Lessee after receiving confirmation from the Lessor that the Agreement can be concluded.
- 3.3. In case the Lessor has reasonable grounds to require additional security in respect of the Lessee's ability to fulfil its obligations under this Agreement, the Lessor may require that the Lessee would provide a surety from a trusted third party in favour of the Lessee, which would secure proper and due fulfilment of the Lessee's obligations hereunder to the Lessor. The terms of such surety are subject to a separate surety agreement concluded by the Lessor and third party in favour of the Lessee, all in accordance with the standard surety form as proposed by the Lessor.
- 3.4. After successful creation of an account on the Website according to the Website Terms of Use, the Lessee shall select the Vehicle he/she wishes to subscribe to, specify the desired Subscription Period, the amount of the Initial Subscription Payment, and the desired mileage limit for the Vehicle for the Subscription Period, and make other choices or, if the Lessee has prior discussed his/her needs with the Lessor, he/she will see all his/her automatically generated choices.
- 3.5. Following the steps set out in Clause 3.4 of the Agreement, the Special Conditions of the Agreement and a link to the current version of the General Conditions of the Agreement will be automatically generated.
- 3.6. The Agreement shall be signed by the Parties and shall be deemed to have been concluded from the moment of its signature in accordance with the Terms of Service of the Website.
- 3.7. At the time of signing the Agreement, the Lessee shall pay to the Lessor the fee for the conclusion of the Agreement and the Initial Subscription Payment selected in the Special Conditions. The fee for the conclusion of the Agreement and the Initial Subscription Payment shall be automatically debited from the

- Lessee's bank card provided in the Lessee's Account. In case the Lessee is unable to pay by card, the payment is made to a bank account specified by the Lessor.
- 3.8. The Parties may conclude a Vehicle Reservation Agreement whereby the Lessee would have the right to reserve the Vehicle for a reservation fee and the Lessor would be obliged to allocate the reserved Vehicle of the Lessee's choice for an agreed period of time prior to the conclusion of the Agreement. The terms of such reservation shall be subject to separate agreement between the Parties.
- 3.9. After the Lessee signs the Agreement, pays the fee for the conclusion of the Agreement and makes the Initial Subscription Payment, and after the payments specified in Clause 3.7 of the Agreement are actually credited to the bank account of the Lessor (hereinafter referred to as the **Preconditions**), the Lessor undertakes to grant the Lessee the right to temporarily possess and use the Vehicle in accordance with the procedure laid down in this Agreement. In the event that the Lessee fails to pay the amounts set out in Clause 3.7 within 3 (three) business days, the Preconditions shall be deemed not to have been fulfilled and the Agreement shall be deemed not to have entered into force.
- 3.10. The Lessee shall have the right to pick up the Vehicle when he/she receives an information notice about the possibility of picking up the leased Vehicle and the information about the place of picking up of the Vehicle by e-mail specified in the Lessee's Account. If the Lessee has opted, for an additional fee, to have the leased Vehicle delivered to the address specified by the Lessee, the Lessor shall deliver the Vehicle to the address specified by the Lessee no later than 3 (three) business days after the Agreement comes into force.
- 3.11. When the Lessee arrives at the Vehicle pick-up location or when the Lessor delivers the Vehicle to the address specified by the Lessee, the Lessee must log in to his/her Account in order to unlock the Vehicle.
- 3.12. Before putting the Vehicle into operation, the Lessee shall inspect the Vehicle (both inside and outside) for any outwardly visible damage to the Vehicle, its equipment, as well as for the presence of all the Vehicle's accessories and attachments specified in Special Conditions. The Lessee, upon noticing externally visible damage/defects to the Vehicle and/or its equipment, undertakes to record such damage/defects (photograph and/or video) and to inform the Lessor of the observed damage/defects immediately, but no later than within 1 (one) hour from the time of noticing of the damage/defects at servisas@mybee.lt and at the same time to send photographs and/or videos of the noted damage/defects to the Lessor. If the damage/defects recorded by the Lessee are minor (e.g. a minor scratch on the Vehicle), the Lessee shall have the right to put the Vehicle into operation after recording the damage/defects, informing the Lessor, and sending photographs and/or video recordings of the damage/defects recorded to the Lessor. If the damage/defects noted by the Lessee are not minor (e.g. the Vehicle is dented, the Vehicle is missing equipment, etc.), the Lessor may provide the Lessee, who has noted such damage/defects and has informed the Lessor in accordance with the procedure set out in this Clause, with a suitable Vehicle or a substitute Vehicle. If the Lessor cannot provide a suitable Vehicle or a substitute Vehicle to the Lessee, the Lessor shall have the right to terminate the Agreement without delay and to reimburse for all amounts paid by the Lessee to the Lessor on the basis of this Agreement. If the Lessee, who has inspected the exterior and the interior of the Vehicle and has noticed damages/defects of the Vehicle, including damages to its fittings, fixtures and accessories or their shortage, fails to notify the Lessor thereof in accordance with the procedure and within the timeframe specified in this Clause, it shall be deemed that all damages/defects have appeared during the Subscription Period and the Lessee shall be responsible for such damages/defects incurred by the Lessor.
- 3.13. The Parties hereby agree that the Lessor shall have the right to provide additional services detailed on the Website of the Lessor. Payment for these additional services shall be subject to the conditions for payment of the Subscription Fee.
- 3.14. The Lessee is aware that the Lessor may at any time change the conditions for providing additional services specified in Clause 3.13 of the Agreement, and/or start providing new services and/or cease providing some of the services described on the Website. The Lessor represents that it shall provide such additional services to the Lessee and under such conditions that were in force at the time of ordering any such services. The Lessee shall have the right to purchase additional services and/or make additional service selections on the Website and/or enter into an additional agreement for the provision of such additional services during the term of the Vehicle Subscription for an additional fee.

- 3.15. The Lessee is aware that the right of withdrawal shall not apply to Vehicle lease agreements. However, the Lessee (if the Lessee is a consumer) is aware that he/she has the right to exercise his/her right of withdrawal in respect of the additional services. The Lessee (Consumer) may exercise his/her right of withdrawal in respect of the additional services no later than 14 (fourteen) calendar days from the date of conclusion of the Agreement by informing the Lessor thereof by e-mail at info@mybee.lt. In the event of the Lessee (Consumer) exercising the aforementioned right of withdrawal, the Lessor shall be obliged to reimburse the Lessee for all payments received from the Lessee in respect of the additional services for which the Lessee withdraws as soon as possible, and in any event not later than within 14 (fourteen) calendar days from the day on which the Lessor was informed of the Lessee's decision to exercise the right of withdrawal.
- 3.16. The Lessee is aware and by entering into this Agreement the Lessee hereby declares that he/she is aware and understands that the Subscription Fee does not include, and the Lessee shall not be reimbursed by the Lessor for, the costs associated with the operation of the Vehicle in any manner or form whatsoever, including, but not limited to, the following costs:

 - 3.16.7. any costs and expenses incurred in connection with the action or omission by the Lessee related to improper execution of this Agreement or the breach of legal acts or the rules by third parties;
 - 3.16.8. additional costs of the Lessor arising from changes in the VAT rate or other taxes and levies or new taxes (e.g. pollution tax) and levies;
 - 3.16.9. road charges, tolls, and vignette.

4. LESSEE'S RIGHT TO GRANT PERMISSION TO OTHER PERSONS TO TEMPORARILY POSSESS AND USE THE VEHICLE

- 4.1. The Lessee shall have the right to grant temporary possession and use of the Vehicle on behalf of the Lessee and at the Lessee's expense to other natural persons and to the Lessee's employees holding a valid driving licence in Lithuania and/or the European Union. The Lessee shall be responsible for ensuring that the persons who are granted the temporary right to drive and use the Vehicle are in possession of a valid driving licence at the time of using the Vehicle.
- 4.2. The Lessee is aware that the employee of the Lessee who created an Account on behalf of the Lessee, can use this account on behalf of the Lessee.
- 4.3. The Parties hereby agree that in the event that an employee of the Lessee terminates the employment or other relationship entered into with the Lessee on the basis of which the Lessee's employee acted on behalf of the Lessee for the purpose of entering into and/or performing the Agreement, the Agreement shall continue to remain in full force and effect, and that the Lessee shall, within 3 (three) business days, notify the Lessor at info@mybee.lt of the change in the Lessee's employee, and shall provide the details of the personal identity of the new employee of the Lessee. The lawful provision and updating of the personal data of the Lessee's employees for the purpose of the conclusion and performance of the Agreement shall be the full responsibility of the Lessee.
- 4.4. The Lessee shall inform the natural person to whom the Lessee grants the right of temporary possession and use of the Vehicle of the conditions set out in this Agreement. Where the Lessee grants the right to possess and use the Vehicle temporarily to other natural persons as provided for in Clause 4.1 of the Agreement, the Lessee shall be responsible for possessing and using the Vehicle properly and for the due execution of this Agreement.
- 4.5. The Lessee shall be prohibited from subleasing the Vehicle and/or making it available to third parties for a fee or remuneration.

- 4.6. The Lessee shall remain fully liable for damages caused to the Vehicle and/or its components, including accessories, by natural persons, including the Lessee's employees, using the Vehicle, and to the Lessor.

5. CONDITIONS FOR THE MAINTENANCE AND USE OF THE VEHICLE

- 5.1. From the time of transfer of possession of the Vehicle to the Lessee until the expiry of the Agreement, the Lessee shall be fully responsible for the operation, maintenance, roadworthiness tests and repair of the Vehicle and for the timely performance of such maintenance and repair.
- 5.2. If the Lessee intends to have the Vehicle serviced, inspected or repaired, the Lessee shall contact the Lessor, who shall indicate to the Lessee the garage where the Lessee shall have the Vehicle serviced, inspected or repaired.
- 5.3. The Lessor shall have the right to inform or remind the Lessee of the obligatory actions to be carried out by the Lessee related to the maintenance and servicing of the Vehicle, using the contact details provided by the Lessee in the Agreement and/or in the Account, but this shall not relieve the Lessee of the obligation to maintain the condition of the Vehicle in a manner that is compliant with the Agreement conditions.
- 5.4. The Parties hereby agree that if the Lessee does not select the additional service related to the tire service for the Vehicle, the Lessee shall, if the Subscription Period is less than 36 (thirty-six) months, return the Vehicle to the Lessor with the same tires which were provided with the leased Vehicle. The Parties hereby agree that the Vehicle must in any case be returned to the Lessor with tires suitable for use.
- 5.5. During the term of the Agreement the Lessee must comply with the mileage limit requirements for the Vehicle, as indicated in the Special Conditions of the Agreement. The monthly mileage limit, which the Lessee must not exceed, shall be calculated by taking the mileage limit for the Subscription Period and dividing it by the number of months of the Vehicle Subscription. If the monthly mileage limit or the total mileage limit is exceeded during the Subscription Term, the Lessor shall have the right at any time to require the Lessee to pay the Lessor a fee the amount of which is indicated in Annex No. 1. The Lessee must pay the fee within 10 (ten) calendar days of the demand. The Lessor shall have the right during the term of the Agreement to inform the Lessee about compliance with the requirements of the limitation of the mileage of the Vehicle for the Subscription Period.
- 5.6. The Lessee is aware that the operation, maintenance, roadworthiness testing and repair of the Vehicle and the repair of wear and tear parts of the Vehicle during the entire term of the Vehicle Subscription must be performed at the Lessee's sole expense. If the Lessee has opted for the Lessor to arrange for the provision of the service of servicing of the Vehicle and/or repair of wear parts and has paid the full amount set out in the Special Conditions or Vehicle maintenance and/or repair of wear parts service is included in the Subscription fee, the Lessor shall pay for the servicing of the Vehicle and/or repair of wear parts. In such a case, the Lessor shall pay only for the technical servicing of the Vehicle and/or repairs of wear parts carried out in the territory of the Republic of Lithuania. If the technical servicing of the Vehicle and/or the repair of wear parts is performed outside the territory of the Republic of Lithuania, the Lessor shall compensate only for the costs that would have been incurred if the technical servicing of the Vehicle and/or the repair of wear parts were performed in the territory of the Republic of Lithuania, and the remaining part shall be paid by the Lessee. The compensated amount is determined by using independent service providers performing technical servicing and/or the repair of wear parts. The Lessor shall transfer the compensated amount to the Lessee's account. If the Lessee exceeds the monthly mileage limit for the Vehicle set out in the Special Conditions and therefore there is a requirement for the Lessee to perform the technical maintenance and roadworthiness testing of the Vehicle, the Lessee must pay the costs or other charges for any such technical maintenance and roadworthiness testing of the Vehicle.
- 5.7. The Vehicle must be used in the territory of the Republic of Lithuania. The Vehicle may be used outside the territory of the Republic of Lithuania, when travelling within the territory of the European Union or outside the territory of the European Union if the following conditions are met: (i) the Lessee may leave the territory of the Republic of Lithuania to the territory of another Member State of the European Union or leave the territory of each other Member State of the European Union to the territory of another Member State of the European Union if the Lessee has notified the Lessor thereof in writing by email at info@mybee.lt not later than 3

(three) business days before the departure from the territory of the Republic of Lithuania; (ii) the Lessee may leave the territory of the European Union only with the prior written consent of the Lessor issued to the Lessee, for which the Lessee must contact the Lessor by e-mail at info@mybee.lt at least 3 (three) business days before leaving the territory of the European Union, and pay the fee indicated in Annex No.1. After leaving the territory of the Republic of Lithuania, the Lessee shall have the right to use the Vehicle for a period not exceeding 3 (three) consecutive calendar months, after which the Vehicle must be returned to the Republic of Lithuania. Each subsequent time, before the departure, the Lessee must in accordance with the procedure and timeframe specified in this Clause, do the following as appropriate, (i) in the case of the departure from the territory of the Republic of Lithuania to the territory of another Member State of the European Union, must additionally notify the Lessor of such departure or (ii) in the case of the departure from the territory of the European Union, must obtain a new consent of the Lessor and pay the fee for issuing any such consent specified in this Clause.

- 5.8. If (i) the Lessee uses the Vehicle and departs from (a) the territory of the Republic of Lithuania to the territory of another Member State of the European Union without duly notifying the Lessor thereof or (b) the territory of the European Union without the prior written consent of the Lessor; (ii) the Lessee uses the Vehicle and departs from the territory of the Republic of Lithuania or the territory of the European Union in accordance with the requirements of this Agreement, but the Vehicle has not been returned to the Republic of Lithuania 3 (three) months after leaving the territory of the Republic of Lithuania; or (iii) the Lessee, who has not returned the vehicle to the Republic of Lithuania 3 (three) months after leaving the territory of the Republic of Lithuania, and upon additional notification from the Lessor and within the additional period specified by the Lessor fails to return the Vehicle to the Republic of Lithuania, the Lessor shall have the right to unilaterally terminate this Agreement and/or require the Lessee to pay the Lessor a penalty indicated in Annex No. 1 within 10 (ten) calendar days and to indemnify any other losses incurred by the Lessor which are not covered by the said penalty. Payment of the penalty shall not abolish the responsibility of the Lessee to fulfil obligations under the Agreement, including, but not limited to, the obligation to return the Vehicle to the Republic of Lithuania.
- 5.9. All administrative or other penalties, fines, and other amounts due resulting from improper, unlawful possession and use of the Vehicle shall be borne by the Lessee as stipulated in Clauses 7.12 – 7.13 of the Agreement. Where administrative or other penalties, fines, and other amounts resulting from improper, unlawful possession and use of the Vehicle are attributed to a person who is not responsible for the violation, the Lessor shall have the right to indicate and allocate the person responsible for the administrative or other type of violation. If administrative or other penalties, fines, and other amounts due are recovered from the Lessor, the Lessor shall have the right to recover any such amounts from the Lessee by way of subrogation.
- 5.10. The Lessee undertakes to ensure the following during the term of the Agreement:
- 5.10.1. To comply with the Vehicle manufacturer's requirements for the use and maintenance of the Vehicle, guarantees, requirements for technical maintenance specified in the manufacturer's manuals/instructions/regulations for the use of the Vehicle kept in the Vehicle, requirements of the Lessor set out in this Agreement, the Road Traffic Rules, requirements of other applicable legal acts, and the standard rules governing the use and maintenance of such type of property;
 - 5.10.2. The Vehicle will meet all the legal requirements and the requirements for periodic inspections (including mandatory roadworthiness tests);
 - 5.10.3. The technical maintenance will be performed properly in accordance with the requirements of the manual for technical maintenance of the Vehicle and within the terms set by the Vehicle manufacturer and the law;
 - 5.10.4. The Lessee will use the Vehicle as a careful and diligent owner and only for its direct purpose;
 - 5.10.5. To notify the Lessor and the relevant public authority (e.g. police, fire department) immediately, if the Vehicle has been destroyed, damaged or otherwise rendered unfit for use and/or if the circumstances arise which prevent from possessing and using the Vehicle or ensuring its normal operating conditions, and to complete the accident declaration form or perform other necessary actions in order to prevent or reduce the potential damage to the Vehicle and/or persons and property.

- 5.11. The Lessee driving the Vehicle must be sober and not intoxicated with narcotic and/or psychotropic substances or other substances. It shall be prohibited to drive the Vehicle while being sick or tired, if this may pose a threat to road safety. The Lessee must ensure that other persons to whom the Lessee grants the right to temporarily possess and use the Vehicle will observe the requirements for the maintenance and use of the Vehicle provided for in this Agreement. In all cases, the Lessee shall be liable for the actions of the persons to whom the Lessee grants the right to temporarily possess and use the Vehicle, if they violate the requirements of this Agreement.
- 5.12. The Lessee undertakes to use the Vehicle in accordance with the provisions of this Agreement and to act in a reasonably prudent, responsible and informed manner. When using the Vehicle, the Lessee must comply with the requirements of the Road Traffic Rules and other legal requirements laid down in the legislation of the Republic of Lithuania or other EU countries and third countries, if the Vehicle is used outside Lithuania.
- 5.13. If the Vehicle breaks down, warning light signals appear on the dashboard, there are suspicious sounds or safe use of the Vehicle is impaired, the Lessee must immediately discontinue the use of the Vehicle and call the technical maintenance service, inform the Lessor and contact the representative of the manufacturer of the Vehicle and deliver the Vehicle to the technical maintenance and repair service provider authorised by the manufacturer of the Vehicle.
- 5.14. The Lessee must ensure that the use of the Vehicle must be discontinued if the Vehicle breaks down and its further use is likely to increase the damage or cause a threat to road safety or if further use of the Vehicle is likely to cause more damage to the Vehicle.
- 5.15. The Lessee shall have no right to use the Vehicle for racing or other sports or competition purposes, to use it for teaching to drive, to use the Vehicle continuously at a maximum load (for carrying heavy goods, etc., except where the Vehicle is for transporting goods), to use the Vehicle for car sharing and/or taxi services, and/or for security and/or courier services, and/or for subscription services and use the Vehicle for the purposes other than it is intended for, and to use the Vehicle for the activities prohibited by legal acts of the Republic of Lithuania and of other countries where the Vehicle is used (if applicable). The Lessee must compensate for any loss incurred by the Lessor as a result of the Lessee's unlawful activities or unauthorised use of the Vehicle.
- 5.16. The Lessee must ensure that the Vehicle would be 100% smoke free, including electronic cigarettes, and, if any pets are carried in the Vehicle, they must be transported only in special pet containers.
- 5.17. The Lessee must ensure that when leaving the Vehicle parked even for a short time, the lights and the audio equipment in the Vehicle must be turned off, the windows and the sunroof must be closed, and all locks must be locked.
- 5.18. The Lessee is aware that the Vehicle is equipped with a Vehicle Telemetry System that provides the Lessor with the Vehicle information as specified in the Agreement and allows the Lessor to disable the unlocking and/or starting of the engine of the Vehicle. The Lessor shall, in line with his legitimate interest and for the purpose of fulfilling the obligations of the Parties to the Agreement, have the right to receive data using the telemetry system of the Vehicle during the entire term of the Agreement. The Lessor shall have the right to disable the unlocking and/or starting of the engine of the Vehicle at its discretion in the event of violations of the Agreement provided for in Clause 10.6 of the Agreement.
- 5.19. It shall be strictly prohibited for the Lessee to perform any actions or attempts to read, copy, modify or delete the data of the telemetry system of the Vehicle. The Lessee undertakes to pay the Lessor a penalty indicated in Annex No. 1 within 10 (ten) calendar days of the demand for damage to the Vehicle Telemetry System equipment.
- 5.20. The Lessee, who parks the Vehicle in the paid parking during the period of use of the Vehicle, undertakes to pay for the parking of the Vehicle.
- 5.21. The Lessee must take care of the Vehicle during the Subscription Period – to maintain it clean, regularly wash and clean the outside and inside of the Vehicle. The Lessee shall, upon expiry of the Subscription Period or termination of the Agreement, return the Vehicle to the Lessor professionally cleaned inside and outside on the date of termination of the Agreement. If the Lessee fails to fulfil this obligation, the Lessee must compensate for the Lessor's costs of cleaning the Vehicle.

- 5.22. The Lessor shall have the right to inspect the Vehicle during the Subscription Period and/or the right to request delivery of the Vehicle for inspection. The Lessee may not prevent or object to the Lessor to exercise such right. Upon receipt of the Lessor's instruction to deliver the Vehicle to the place of inspection of the Vehicle specified by the Lessor, the Lessee undertakes to deliver the Vehicle to the place of inspection of the Vehicle specified by the Lessor without undue delay, but not later than within 3 (three) business days.
- 5.23. If the Lessee wishes to apply his/her labels, logos or other signs to the leased Vehicle, he/she must contact the Lessor, send samples of the labels, logos or other signs that he/she wishes to use to the Lessor, to coordinate the use of the labels, logos or other signs and get the Lessor's approval, the issue price of which is specified in Annex No. 1. The Lessee may use the labels, logos or other signs only if the Lessor agrees and approves them. The Lessor shall have the right to prevent the Lessee from using labels, etc. on the Vehicle, if they are contrary to the reputation, rights and legitimate interests of the Lessor or third parties.
- 5.24. When exercising the rights set out in Clause 5.23 above, the Lessee must not damage the Vehicle or violate the rights and legitimate interests of the Lessor, including the reputation, good business practice, and the rights and legitimate interests of third parties. Upon the expiry or termination of this Agreement, the Lessee must return the Vehicle to the Lessor without any labels, logos or other signs on the Vehicle (i.e., to return the Vehicle without defects).
- 5.25. In the event of a violation of the provisions of Clauses 5.23 and 5.24 of the Agreement, the Lessee shall be liable to pay to the Lessor a penalty indicated in Annex No. 1 and shall indemnify the Lessor against all losses incurred by the Lessor not covered by the penalty.
- 5.26. The Lessee must pay the Lessor for the issue of approvals, consents or other confirmations under the conditions set out in this Agreement a fee indicated in Annex No. 1.
- 5.27. The Lessor shall be entitled to charge the Lessee an administration fee indicated in Annex No. 1 for the costs of re-billing the Lessee where such costs are incurred as a result of the Lessee's actions and/or violation of the Agreement.

6. RETURN OF THE VEHICLE

- 6.1. At the end of the Subscription Period due to expiry or at the termination of the Agreement before its expiry, the Lessee undertakes to return the Vehicle to the Lessor not later than on the last day of the Subscription Period.
- 6.2. 5 (five) calendar days prior to the end of the Subscription Period, the Lessee must inform the Lessor by e-mail info@mybee.lt of the planned return of the Vehicle, the time and place of return of the Vehicle. If the Lessee violates the obligation set out in this clause and returns the Vehicle to a place other than the agreed place of return of the Vehicle, a penalty indicated in Annex No.1 shall apply.
- 6.3. When returning the Vehicle to the address referred to in Clause 6.2, the Lessee must check in advance that he/she has not left his/her belongings in the Vehicle. The Lessor shall not be liable for belongings left in the Vehicle by the Lessee and/or third parties.
- 6.4. The Lessee must return the Vehicle in the condition which is not worse than that when the Lessee received the Vehicle, taking into account its normal wear and tear. When deciding on the normal wear and tear of the Vehicle, the Lessor and Lessee shall follow the guidelines prepared by the Lithuanian Auto Association on 1 March 2010 and published on the Association's website at http://www.laa.lt/uploads/Atmintine_2010_03_01.pdf (these guidelines are considered an inseparable part of the Agreement) and the requirements set out in the Rules for State Roadworthiness Testing. Normal wear and tear shall not include:
- 6.4.1. broken, deformed or otherwise mechanically or thermally damaged parts;
 - 6.4.2. non-functioning appliances and machinery;
 - 6.4.3. body dents, paint layer cracks and heavy scratches (damage to the paint layer down to the primer);
 - 6.4.4. deterioration of the paint layer due to intense washing and/or cleaning of the Vehicle;
 - 6.4.5. repairs carried out to a poor standard and/or defects caused by the repairs;
 - 6.4.6. window cracks;
 - 6.4.7. scratches of the windows resulting from improper use and/or cleaning;

- 6.4.8. damage to the interior of the Vehicle, e.g. burns or stains on the upholstery of the Vehicle, broken plastic panel parts, trunk lid, window opening handles, etc.
- 6.4.9. damaged body geometry.
- 6.5. In addition to the cases referred to in Clause 6.4 of the Agreement, the Parties hereby agree that normal wear and tear of the Vehicle shall not include any faults, defects, deformations, damages, scratches, or any other deterioration of the condition of the Vehicle resulting from the Lessee's non-compliance with the terms and conditions of the technical servicing and roadworthiness tests.
- 6.6. The Vehicle shall be returned to the Lessor at the address and time specified in Clause 6.2 of the Agreement upon the signing by the Parties of the Deed of Transfer and Acceptance of the Vehicle. Upon return of the Vehicle, an initial inspection of the Vehicle shall be carried out, during which the Parties shall record the condition of the exterior and interior of the Vehicle by means of photographs and shall draw up and sign an inspection report attached to the Deed of Transfer and Acceptance of the Vehicle. The Lessee shall be obliged to attend the initial inspection of the Vehicle. The Lessee shall return to the Lessor at the time of the initial inspection of the Vehicle the Vehicle's ignition key and/or other accessories of the Vehicle, which have been transferred to the Lessee for use together with the Vehicle.
- 6.7. The Lessee undertakes to compensate for all costs incurred by the Lessor and related to the rectification of the defects of the returned Vehicle in excess of normal wear and tear. The deficiencies of the Vehicle shall be specified in a Vehicle Inspection Report signed by the Parties and attached to the Deed of Transfer and Acceptance of the Vehicle. The amount of damage to the Vehicle shall be determined in accordance with the procedure set out in Section 7 of the Agreement.
- 6.8. If during initial inspection of the Vehicle the Parties do not agree on the defects of the Vehicle, the defects shall be noted by the Parties in the Vehicle Inspection Report signed by the Parties and the Vehicle shall be immediately delivered by the Lessor to the technical maintenance and repair service provider authorised by the manufacture for the purpose of carrying out an inspection of the Vehicle and for the purpose of submitting a proposal as to the amount of the costs for the rectification of the defects of the Vehicle found. If the Lessee refuses to participate in the initial inspection of the Vehicle, the Lessee shall be deemed to accept the defects in the Vehicle noted by the Lessor at the time of the inspection and agrees to reimburse the Lessor for the costs incurred by the Lessor in rectifying the defects. The Lessee shall have the right (but is not obliged) to participate in the second inspection of the Vehicle at the technical maintenance and repair service provider authorised by the manufacturer of the Vehicle, to the extent permitted by the rules of such service provider. All costs of the inspection of the Vehicle shall be borne by the Lessee, unless the repair service provider identifies a defect of the Vehicle considered as a normal wear and tear, the costs of repair of which shall be borne by the Lessor.
- 6.9. The Parties agree and the Lessee is aware that if, on the date of return of the Vehicle, it is evident that the mileage of the Vehicle, recorded on the date of the last periodic technical maintenance of the Vehicle, exceeds 3/4 (three quarters) of the mileage limit set by the Lessor for the Vehicle until the next periodic technical maintenance of the Vehicle, the Lessee must compensate the Lessor for the rectification of all Vehicle defects identified during the technical maintenance of the Vehicle within 10 (ten) business days from the date of the Lessor's request. The Lessee is aware that this provision of the Agreement shall apply if the Lessee does not opt for the additional service of "technical maintenance and repair of worn parts" or this service is not included in the service plan.
- 6.10. The Parties hereby agree that in the event that the Lessee has missed and/or failed to have the Vehicle serviced on the date of return of the Vehicle, the Lessee shall be obliged to reimburse the Lessor for the full cost of servicing the Vehicle and to pay to the Lessor a penalty indicated in Annex No. 1 within 10 (ten) calendar days from the date of the Lessor's request.

7. LIABILITY OF PARTIES AND THIRD PARTIES, DETERMINATION OF DAMAGE

- 7.1. The Lessee shall be fully liable for the Vehicle during the term of the Agreement. The Lessee, as the possessor of the Vehicle, shall bear the risk and liability of the possessor of the source of increased danger during the term of the Agreement.

- 7.2. If the Lessee fails to pay or delays payment of the Subscription Fee for more than 20 (twenty) calendar days, the Lessor shall have the right to suspend the Lessee's use of the Vehicle with immediate effect as specified in Clause 7.15 of the Agreement. In the event that the Lessee fails to pay the amounts due to the Lessor within 10 (ten) calendar days after having received the Lessor's notice of late payment of the Subscription Fee, the Lessor shall have the right to unilaterally terminate this Agreement.
- 7.3. The Lessee shall be fully responsible for any damage caused by the persons to whom the Lessee has transferred the Vehicle to possess and use temporarily. The Lessee, if the Vehicle is driven by persons who do not have a valid driver's licence in Lithuania and/or the European Union, undertakes to pay the Lessor a penalty indicated in Annex No. 1 within 10 (ten) calendar days of the request. The Lessor shall also have the right to immediately suspend the Lessee's use of the Vehicle for an indefinite period of time as set out in Clause 7.15 of the Agreement and to unilaterally terminate the Agreement.
- 7.4. In the event that the Vehicle is damaged or other damage is caused to the Lessor during the period of use of the Vehicle, the Lessee must inform the Lessor in accordance with rules set out in the **Vehicle Insurance and Liability Application Conditions** published on the Website at <https://mybee.lt/en/insurance-and-financial-liability/>, and shall indemnify the Lessor for the amount of the loss caused by such event up to the amount of the deductible (liability) set out in the Special Conditions. When calculating the amount of losses, the deductible (liability) limit is applied to each event separately. If the aforementioned damage to the Lessor does not exceed the amount of the deductible (liability) set out in the Special Conditions, the Lessee shall indemnify the Lessor accordingly for the amount of such damages. The exceptions where the deductible (liability) limit set out in the Special Conditions shall not apply and (or) the Lessee shall indemnify the Lessor against all losses are set out in the Vehicle Insurance and Liability Application Conditions.
- 7.5. If the Vehicle is destroyed, irreparably damaged or beyond repair during the period of use of the Vehicle, the Lessee undertakes to reimburse 10 (ten) percent of the market value of the Vehicle on the date of damage, except for the exceptions specified in the Conditions of Coverage of Insurance and Liability of the Vehicle, in which case the Lessee shall be obliged to pay the full amount of the damage.
- 7.6. The amount of damage caused to the Vehicle and/or the Lessor during the period of use of the Vehicle (the amount of loss) shall be determined by the Lessor with the assistance of independent certified (licenced) damage assessors and/or other service providers.
- 7.7. The Lessor or a service provider engaged by the Lessor shall carry out an investigation, which may include interviews with the Lessee, with the relevant law enforcement, law and order, medical treatment forensic agencies, organisations with psychoneurological, toxicological, narcotic records, as well as with any other organisation, company or institution. Photographs and/or video recordings shall be taken, as well as expert opinions and investigations where necessary.
- 7.8. If the amount of damage (amount of loss) is determined, the Lessor or a service provider engaged by the Lessor shall inform the Lessee of the amount of damage (amount of loss) determined, which the Lessee shall be obliged to reimburse within 10 (ten) calendar days.
- 7.9. If the Lessee disagrees with the amount of damage (amount of loss) determined by the Lessor or the service provider engaged by the Lessor, the Lessee may, within 7 (seven) calendar days from the date of receipt of the information and/or documents referred to in Clause 7.8 of the Agreement, lodge a reasoned objection by submitting a report on the assessment of the damage, drawn up by a self-appointed, independent, certified (licenced) damage assessor, which complies with the requirements of the legislation of this nature and/or the estimate drawn up by the independent service provider. The documents provided by the Lessee shall be evaluated together with other information collected and prepared by the Lessor and the service provider it has engaged. In the event of any disagreement between the Parties as to the amount of the damage (the amount of the loss), the final conclusion shall be made by a service provider engaged by the Lessor, whose conclusions shall be binding on the Lessor and Lessee. The Lessee shall bear all costs related to the work of an independent damage assessor and/or other service provider hired by himself/herself or other third parties.

- 7.10. The Lessee shall bear the costs of identifying the damage suffered by the Lessor, as well as the costs of any additional investigation or assessment of the damage incurred by the Lessee in the exercise of the rights provided for in Clause 7.9 of the Agreement.
- 7.11. If through the fault of the Lessee, as a result of using the Vehicle or the circumstances arising from any such use, the Vehicle is confiscated, detained or lost or any rights to the Vehicle are restricted, the Lessee must immediately notify the Lessor thereof and, prior to the return of the Vehicle to the Lessor, to fulfil all the obligations under this Agreement relating to the Vehicle. The Lessee must also compensate for any losses incurred by the Lessor as a result of the circumstances referred to in this Clause.
- 7.12. The Lessee shall assume full liability for the violation of legal acts and the damage incurred by the Lessor and third parties during the term of use of the Vehicle. If the Lessee fails to use the Vehicle properly or otherwise violates this Agreement and the Lessor incurs losses thereof (e.g., liability for damage caused to third parties, damage to the environment caused by the Vehicle, administrative penalties, operating costs, etc.), the Lessee undertakes to fully compensate for any such damage. Where there are legitimate grounds, the information held by the Lessor about the Lessee and/or the person to whom the Lessee has transferred the Vehicle to possess and use temporarily may be provided to public authorities or agencies and/or bailiffs for the purposes of payment and recovery of taxes or penalties.
- 7.13. The Lessee shall assume the liability for the violation of the Road Traffic Rules or other legal acts. In the event that the Lessee violates Road Traffic Rules or any other legislation, the Lessee undertakes to pay the Lessor an administration fee indicated in Annex No. 1.
- 7.14. If the Subscription Period has expired and has not been extended, where such extension is possible under this Agreement, but the Lessee delays to return the Vehicle for more than 1 (one) calendar day, the Lessee shall pay a double Subscription Fee for each calendar day of delay to return the Vehicle. The Lessor shall also have the right to take the actions set out in Clause 7.15 of the Agreement.
- 7.15. If the Lessee fails to return the Vehicle in the cases provided for in the Agreement and/or delays to pay the Subscription Fee, in order to recover and collect the Vehicle from the Lessee, the Lessor shall have the right to take any necessary measures to collect the Vehicle from the place where it is parked, including using the Vehicle Telemetry System in the Vehicle (e.g. to disable the starting of the engine of the Vehicle), third parties and institutions. For the purpose of this Clause, the Lessor shall have the right to come to the place where the Vehicle is parked and to take any action independently to recover and collect the Vehicle, including but not limited to unlock the Vehicle, enter the Vehicle, transport the Vehicle to the location of the Lessor's choice (by driving the Vehicle or using other means of transport), etc. The Lessee agrees with the above and any other actions taken by the Lessor to recover and collect the Vehicle and confirms that the Lessor will not be obliged to give any prior notice to the Lessee of the intended recovery and collection of the Vehicle (including the actions provided for in this Clause), and that the Lessor shall perform any actions required to recover and collect the Vehicle (including the actions provided for in this Clause) without the participation of the Lessee. The Lessee shall be responsible for any absence of the Vehicle or any defects of the Vehicle which are determined at the time of the transfer of the Vehicle and which cannot be considered natural wear and tear of the Vehicle. When the Vehicle is returned to the Lessor as described in this Clause, the Lessee must compensate the Lessor for the loss of the value of the Vehicle through the fault of the Lessee, except if the loss of the value is due to natural wear and tear, and pay all the penalties due for the Vehicle late return, as well as the costs of Vehicle collection, recovery and storage.
- 7.16. If the Lessee fails to return the Vehicle when due, the Lessee shall also be obliged to continue to pay to the Lessor all payments due to the Lessor which would have been due under the Agreement. However, the Lessor's request to make these payments does not mean that the Lessor has renewed the Agreement.
- 7.17. The Parties hereby agree that if the Lessee is more than 10 (ten) days and/or 300 (three hundred) kilometres late in carrying out the servicing of the Vehicle, The Lessor has the right to block the unlocking and/or starting of the Vehicle, initiate the collection of the Vehicle and carry out the servicing of the Vehicle on its own initiative, and the Lessee undertakes, within 10 (ten) calendar days of the Lessor's request, to pay to the Lessor a penalty indicated in Annex No. 1, and to compensate for all other losses incurred by the Lessee to the extent that they are not covered by the penalty. If the Lessee's delay in servicing the Vehicle causes the Lessor to forfeit the warranty on the Vehicle, the Lessee undertakes to pay to the Lessor, within 10 (ten)

- calendar days of the Lessor's request, a penalty indicated in Annex No. 1 and to compensate the Lessor for any other losses incurred by the Lessor to the extent that such losses are not covered by the penalty.
- 7.18. The Lessor shall not be liable for any loss incurred by the Lessee, including but not limited to the compensation of the Subscription Fee to the Lessee if he cannot use the Vehicle resulting from an accident or other causes directly or indirectly attributable to the Lessor, including where the Lessee has to return the Vehicle to comply with the requirement set out in Clause 2.8 of the Agreement and/or where the Lessor takes actions set out in Clause 7.15 of the Agreement.
- 7.19. Regardless of the cause of the breakdown or loss of the Vehicle, until the Lessee proves that the Vehicle has been lost or damaged through no fault of the Lessee, the Lessee must fulfil the obligations under the Agreement in due time and make all payments, including payment of the Subscription Fee in accordance with this Agreement.
- 7.20. Given that the longer Subscription Period affects the rate of the Subscription Fee (i.e., the longer Subscription Period the Lessee chooses, the lower Monthly Subscription Fee is set in the Special Conditions), the Lessor shall also have the right in addition to other conditions laid down in this Agreement governing the liability of the Lessee – after the termination of the Agreement prior to the expiry of the Subscription Period by the Lessee or the termination of the Agreement by the Lessor on the basis of Clause 10.6 of the Agreement, and other conditions that govern the issues of the Lessee's liability – in accordance with the provisions of Clause 8.2 of the Agreement and the Special Conditions, to recalculate the Subscription Fee payable by the Lessee for the actual time of holding and using the Vehicle calculated prior to the termination of the Agreement and require from the Lessee to compensate for the difference in the Subscription Fee. If the Lessee terminates the Agreement before the expiry of the Minimum Subscription Period or the Lessor terminates the Agreement on the basis of Clause 10.6 of the Agreement before the expiry of this period, the Lessee must pay the remaining and outstanding amount of the Subscription Fee of the Vehicle due for the Minimum Subscription Period. The Lessee is aware that, under the circumstances provided for in this Agreement, the difference in the amount of the Subscription Fee payable by the Lessee to the Lessor is reduced by the remaining amount of the Initial Subscription Payment paid by the Lessee. If the remaining amount of the Initial Subscription Payment exceeds the difference payable by the Lessee to the Lessor and the difference of any other amounts due under the Agreement, the balance of the Initial Subscription Payment shall be refunded to the Lessee. If the Agreement is terminated in accordance with the procedure set forth in this clause, the mileage limit shall also be recalculated as set forth in Clause 5.5 of the Agreement.

This version of Clause 7.20 shall apply to Agreements concluded as of August 13, 2026:

7.20. Taking into account that the Agreement is concluded for a specified fixed term and its early termination results in reasonable and direct losses to the Lessor related to the unscheduled repeated preparation of the Vehicle for lease, if the Agreement is terminated prior to the Subscription term established in the Agreement at the Lessee's initiative (Clause 10.11 of the Agreement) or at the Lessor's initiative due to the Lessee's fault (Clause 10.6 of the Agreement), the Lessee undertakes to pay the Lessor the fixed fee specified in the Special Conditions for each non-started month remaining until the end of the Subscription term specified in the Special Conditions. In the event that the Lessee terminates the Agreement before the expiry of the Minimum Subscription Term or the Lessor terminates the Agreement on the basis(es) specified in Clause 10.6 of this Agreement before the expiry of this term, the Lessee must pay the remaining unpaid part of the Vehicle Subscription Fee payable for the Minimum Subscription Term. The Lessee is informed that, under the circumstances provided for in this clause of the Agreement, the difference in the Subscription Fee amount that the Lessee must pay to the Lessor shall be reduced by the amount of the remaining balance of the Initial Subscription Fee paid by the Lessee. If the remaining balance of the Initial Subscription Fee exceeds the difference between the Subscription Fee payable to the Lessor and other amounts payable under the Agreement, the remaining balance of the Initial Subscription Fee shall be returned to the Lessee. If the Agreement is terminated in accordance with the procedure set forth in this clause, the mileage limit shall also be recalculated as set forth in Clause 5.5 of the Agreement.

- 7.21. The Lessor shall be liable for the fulfilment of its obligations under the Agreement and must compensate the Lessee for the direct loss caused by improper fulfilment of obligations by the Lessor. In any case the compensation cannot be more than the Subscription Fee paid by the Lessee for the month preceding the month when the Lessor violated the Agreement. The Parties hereby agree or the authorities in charge establish that the amount of the compensation must be included in the next invoice, debited against future payments or settled in any other legally acceptable manner. The Lessor shall not be liable for any indirect losses. The provisions of this clause apply unless mandatory provisions of legal acts provide otherwise.
- 7.22. All and any penalties provided for in the Agreement shall be considered to be minimal loss incurred by the Parties. The payment of penalties (fines or interest on arrears) shall not exempt the Lessee from the obligation to compensate for any other damage incurred by the Lessor not covered by the penalty. In any event, the application of the penalties provided for in the Agreement does not exempt the Lessee from the fulfilment of his/her obligations.
- 7.23. The Parties hereby agree that if the Lessee violates, defaults or in any way fails to perform its obligations or duties under this Agreement, then the Lessor may, in its sole discretion, treat any such event as a violation, default or failure to perform under any or all other agreements or arrangements that the Parties have. Accordingly, the Lessor may then exercise at its sole option any and all of its rights or remedies provided for in the Agreement or said other agreements, either selectively or collectively and without such election being deemed to prejudice any rights or remedies of the Lessor, as if the Lessee had suffered a violation, default or failure to perform under the said other agreements.

8. PAYMENT

- 8.1. The Lessee shall pay the Lessor the Monthly Subscription Fee in accordance with the Special Conditions of the Agreement.
- 8.2. The Lessee is informed that the amount of the Subscription Fee also depends on the length of the Subscription Period and is divided into levels, which depend on the Subscription Term and are set out on the Website and, upon conclusion of the Agreement, in the Special Conditions.
- 8.3. Calculation of the Subscription Fee starts from the moment Lessee has fulfilled all Preconditions as specified in Clause 3.9 of the Agreement and shall be calculated during the entire Subscription Period until the expiry of the Subscription Period set in the Special Conditions of the Agreement and, if the Lessee fails to return the Vehicle in due time, until the date of actual return of the Vehicle.
- 8.4. The Lessee undertakes to pay the fee for conclusion of the Agreement and make the Initial Subscription Payment to the Lessor as specified in Clause 3.7 of the Agreement.
- 8.5. The Monthly Subscription Fee shall be calculated depending on the amount of the Initial Subscription Payment selected by the Lessee, i.e. the Monthly Subscription Fee shall be reduced by the proportionate part of the Initial Subscription Payment, which shall be calculated by taking the amount of the Initial Subscription Payment paid by the Lessee and dividing it by the number of months of the Subscription Period selected by the Lessee (hereinafter referred to as the **Portion of the Initial Subscription Payment**).
- 8.6. On the last day when each Monthly Subscription Fee is due, the Lessor shall set off the Portion of the Initial Subscription Payment against the difference between the amount of the Subscription Fee payable for the month and the Monthly Subscription Fee.
- 8.7. The Lessee undertakes to pay each Monthly Subscription Fee for the current month within 10 (ten) calendar days of the issuance of the VAT invoice. The Lessor shall issue and submit to the Lessee a VAT invoice for the current month on the first calendar day of each month. If the Lessee does not receive an invoice, this shall not exempt him/her from paying the Subscription Fee on the date set out in this provision.
- 8.8. The Monthly Subscription Fee shall be automatically debited from the Lessee's bank card provided in the Account or, alternatively, may be paid by bank transfer to the Lessor's bank account specified in the Special Conditions.
- 8.9. If the Lessee does not receive a VAT invoice by e-mail before the specified payment term, the Lessee undertakes to contact the Lessor regarding the invoice.

- 8.10. Upon receipt of the VAT invoice, the Lessee shall be obliged to check within 5 (five) calendar days from the date of issuance of the VAT invoice whether the data specified in the invoice is correct and to inform the Lessor of any discrepancies in the invoice by e-mail info@mybee.it. The Lessee must submit any claims relating to the information on the VAT invoice within 5 (five) calendar days from the date of the issuance of the VAT invoice. If the Lessee does not submit any claims within the above-mentioned period, the Lessee shall be deemed to accept the submitted VAT invoice.
- 8.11. If the Lessee wishes that the issued VAT invoice be rewritten or corrected through no fault of the Lessor (e.g., the Lessee has indicated incorrect details), an additional fee indicated in Annex No. 1 will be charged for rewriting or correcting the invoice.
- 8.12. For each late payment under this Agreement, the Lessee undertakes to pay to the Lessor interest on arrears in the amount of 0.05 (five hundredths) percent of the unpaid amount. The Lessee also undertakes to pay the Lessor the debt reminder administration fee indicated in Annex No. 1 for each debt notification sent to the Lessee.
- 8.13. The Lessee undertakes to pay the forfeiture (penalties and interest on arrears) and damages to the Lessor not later than within 10 (ten) calendar days of the Lessor's demand (a sufficient demand shall be deemed to be the submission of a written demand or an invoice to the Lessee by e-mail), unless a different term is specified in the specific provisions of the Agreement or in the request of the Lessor.
- 8.14. The Lessor shall have the right to unilaterally set off the amounts of penalties and damages provided for in this article of the Agreement against any payments received from the Lessee, including the Initial Subscription Payment made by the Lessee as specified in Clause 3.7 of this Agreement.
- 8.15. The Lessee fails to execute or fails to execute properly any other agreements or any other arrangements with the Lessor or creditors, including if the Lessee fails to fulfil or fails to properly fulfil his/her obligations under guarantees and fails to fulfil them 20 (twenty) calendar days after the Lessor's request to rectify the violation; or fails to fulfil or fails to properly fulfil his/her payment or other obligations to creditors which have arisen on other legitimate grounds. Failure to pay another creditor shall be considered the basis for the termination of the Agreement only if the Lessor considers that such non-payment will jeopardize the performance or proper performance of the Lessee's obligations under this Agreement;
 - 10.6.3. The Lessee has provided the Lessor with information or documents containing incomplete, unlawful or inaccurate information necessary for the conclusion of the Agreement or has supplied such incomplete, unlawful or inaccurate information in the course of the performance of the Agreement;

 - 10.6.9. A certain event or events take place which, based on the reasonable opinion of the Lessor, may have a significant adverse effect on the financial condition of the Lessee or threaten the Lessee's ability to fulfil the obligations arising from this Agreement;

 - 10.6.11. The Lessee does not allow to inspect or assess the Vehicle;

- 10.6.12. The Vehicle's Telemetry System is dismantled or disconnected without the consent of the Lessor;
- 10.6.13. The validity of the Lessee's driver's license is suspended or revoked.
- 10.7. On the grounds specified in Clause 10.6 above, the Lessor shall have the right to disable the unlocking and/or starting of the engine of the Vehicle (via the Vehicle Telemetry System) at the Lessor's discretion. - 11.5. If the force majeure circumstances last for more than 1 (one) month, any Party has the right to terminate the Agreement unilaterally, without recourse to court.
